

***The Big Book of Pizza: Foolproof Pies in Every Style* by Food Network Magazine**

The title and the cover say it all: this is a great resource for producing first-rate homemade pizza! There are 75 recipes, with at least one or two for every taste. The cookbook is arranged into sections: simple pizzas, specialty pizzas, pan pizzas, grilled pizzas, and alternative pizzas. I found multiple pizzas I want to try in every section, and would definitely sample every recipe if someone else fixed them!

The book is spiral-bound, so practical in a cookbook, and each recipe has an appealing color picture. In fact, the front index has a picture for each entry, which is a great way to decide which to fix. Each recipe also features pro tips for success, a very nice feature. In the very near future, I'm planning for Hawaiian Pizza with Grilled Pineapple; Cauliflower, Tomato and Olive Pizza; and Barbecue Sausage French Bread Pizza! Buon appetito!
