

### ***Exes & O's* by Amy Lea**

Nurse and romance book aficionado Tara Chen has had her heart broken ten times by ten different men—all of whom dumped her because of her “stage-five clinger” tendencies. Nevertheless, Tara is determined to find The One. The only problem? Classic meet-cutes are dead, thanks to modern dating apps. So Tara decides to revisit her exes in hopes of securing her very own trope-worthy second-chance romance.

How hard can it be to track down all of your boyfriends since grade school? Along for the ride are her sister Crystal, best friend Mel, and her new roommate Trevor. Trevor is a Boston firefighter and a serial one-night stander. He doesn't believe in second dates and definitely not second-chance romance. As they work through the ups and down of reconnecting with her exes, Trevor becomes a rock for Tara as she confronts what went wrong in each of her relationships. At the same time, Trevor slowly opens up and reveals his own past traumas.

A feel good, romantic comedy perfect for the upcoming dreary November days!
