

Rocky the Christmas Owl

By Bobbie Gilbert Kogok

Have you heard of Rocky the Christmas Owl? This book is an endearing story about a wee little saw-whet owl named Rocky who lived quietly in a spruce tree in upstate New York. Until one winter day when his spruce tree home was uprooted to Rockefeller Center! This book is the story of his journey that happened in the winter of 2020 and served as a beacon of hope in an otherwise very challenging year for many people.
